

PRODUCT INFORMATION

FORCE Ultra Heavy Duty Degreaser

DESCRIPTION **FORCE** is an ultra-heavy duty water soluble, biodegradable industrial solvent capable of emulsifying the heaviest grease and grime. **FORCE** offers total cleaning with maximum efficiency and economy.

USE **FORCE** is used to remove grease, oil, carbon, inks, dyes, wax, dirt and other stubborn soils from all types of surfaces. **FORCE** may be used on plastic, rubber, concrete and metal. It may also be used inside or outside for thorough cleaning of washable surfaces.

DIRECTIONS Light Cleaning: 1 part **FORCE** to 60 parts water.
General Cleaning: 1 part **FORCE** to 40 parts water.
Heavy Cleaning: 1 part **FORCE** to 20 parts water.
Spray Application: Use the Correlated Sprayer for hard to reach areas. Spray the properly diluted **FORCE** directly on the surface of the area or equipment to be cleaned and let remain for a few minutes. Hose or wipe off with water for a clean bright surface.
Wipe on application: Soak cloth or sponge in diluted **FORCE** and apply lightly to soiled surface. After a few minutes, wipe or hose off surface.

WARNING Do not store with or near strong acid. Keep container closed when not in use. Use only according to label direction. Do not mix with other chemicals. KEEP OUT OF REACH OF CHILDREN. Avoid contact with skin or eyes. Wear rubber gloves and splash goggles for handling.

Note: See Material Safety Data Sheet for Additional Specifications and Information.
