

PRODUCT INFORMATION

SUPERLUBE (AQUASHIELD) Aerosol, Demoisturizing Penetrating Lubricant

DESCRIPTION	SUPERLUBE is a lubricant and a combination of special water displacement compounds, corrosion inhibitors, solvents, and non-greasy lubricants.
USE	SUPERLUBE is used to displace water and moisture from electrical equipment such as contact points and automotive distributors, machinery parts, guns, and equipment. It is used by factories, truck lines, delivery services, schools, machine shops, service stations, airlines, and general industries. It conforms to Military Specification MIL-C-23411 for corrosion prevention.
DIRECTIONS	Direct spray toward areas to be treated, spray liberally until all moisture is rinsed away. This will also leave a protective film to repel moisture. Repeat as needed. Can also be used to loosen rusty nuts and bolts.
WARNING	Contents under pressure. Do not puncture or incinerate container. Do not expose to heat, sparks, or flame. Do not store at temperatures above 120°F. Always read label before using product. KEEP OUT OF REACH OF CHILDREN.
FIRST AID	Note: See Material Safety Data Sheet for First Aid and additional Information.
