

BIO-FRESH quickly eliminates a wide range of malodors through bio-enzymatic action that consumes the source of the odors. This non-toxic biodegradable concentrate is packed with enzyme-producing bacteria and an ultra-fresh, clean fragrance. BIO-FRESH is effective against foul odors caused by pet accidents, urine, vomit, decomposing food, water, smoke damage and many others.

DIRECTIONS: Remove odor source as best as possible before treating. **General Cleaning:** Dilute 2 to 4 oz per gallon of warm water when applying with a mop or sponge. **Carpet Spills:** Remove solids before applying product. Pretest for color fastness. Absorb as much of the spill as possible before spraying concentrate directly onto the affected area. On tough spills and stains, cover treated area with damp cloth overnight to prevent evaporation, then continue with carpet cleaning. **Carpet/Rug Shampoo:** Pretest for color fastness. Dilute 1 to 2 oz. per gallon. Agitate area and extract. May need to repeat for heavily stained areas. **Restroom Odors:** Dilute 2 to 4 oz. per gallon of mop water. Spray the concentrate directly onto the floor or wall and around toilets for tough odors. Do not mist up into the air. **Drain Maintenance:** 4 oz. daily until drains run freely. **Grease Traps:** Pour 16 to 20 oz. of concentrate per day into drain/trap. **Garbage Cans:** Spray directly into garbage can daily to eliminate odors. **Dumpsters:** Pour 8 oz. of concentrate into dumpster weekly to eliminate odors. **Septic Tanks:** Dilute 32 oz. in 32 oz. of water monthly.

Precautions to be taken in handling and storage: Store away from heat and open flame. Keep container closed when not in use. Use only according to label direction. Do not mix with other chemicals. **Other Precautions: KEEP OUT OF REACH OF CHILDREN. CAUSES SERIOUS EYE IRRITATION. Avoid contact with skin or eyes.**

BIO-FRESH

Enzymatic Odor Control Concentrate

ALL DAY ODER ELIMINATING — ULTRA-FRESH, CLEAN SCENT

BIO-FRESH, biodegradable concentrate, provides 24-hour odor control from select spore-form bacteria eliminating odors by digesting the molecules that create odor.

Its bio-enzymatic action consumes odor and leaves an ultra-fresh, clean fragrance.

Spray on floor and walls around urinals, toilets and sinks, or use diluted in mop water and carpet extractors to eliminate foul odors at the source.

Excellent for use in grease traps and drains and to eliminate trash odors.
