

PORTA-POTTY/LAVATORY

MAINTAIN for Less

PT-172 Porta-potty and Lavatory Solution

CONCENTRATED PORTABLE TOILET DEODORANT WITH LONG-LASTING CONTROL

- Powerful, concentrated liquid portable toilet deodorant that **controls odor and the growth of odor-forming bacteria**
- Minimizes scale formation and **breaks down sludge**
- Contains anti-foam to **reduce foaming during transfer** to/from a toilet or lavatory
- Maximizes **odor control over long periods** of time and porta-potty heavy use
- Contains an acid resistant dye to **mask unsightly waste** material and fecal matter
- Contains no harsh, cancer-causing chemicals such as "...aldehydes"; and won't burn your eyes

Available in 55 gallon drums and 275 gallon totes.

A LITTLE GOES A LONG WAY

Directions for Use

Dilute one-part PT-172 with water as follows:

- For long intervals between servicing or for heavy traffic, add 8 oz. PT-172 to 5 gal. of water.
- For moderate intervals between servicing or for moderate traffic, add 6 oz. PT-172 to 5 gal. of water.
- For short intervals between servicing or for light traffic, add 3 oz. PT-172 to 5 gal. of water.

COMPANION PRODUCTS

FORCE Ultra Heavy Duty Cleaner

Water soluble, ultra heavy-duty, deep-cleaning chemical that can be diluted with water. Easily removes grime, dirt, and human waste residue from the holding tank. Non-flammable. Non-toxic. Excellent for cleaning waste trucks and waste truck systems. USDA approved.

Available in 5 gallon pails and 55 gallon drums.

Waverly AX-525

Waverly AX-525* Disinfectant

Hospital grade disinfectant and virucide. **Perfect for disinfecting portable toilets en masse** with a fogger or sprayer, plus it kills COVID. No rinsing or wipe-down required. Leaves no harmful or soapy residue. Non-hazardous with virtually no fragrance. EPA registered.

Available in 4 x 1 gallon/case, 5 gallon box-container, 55 gallon drum.

**Waverly AX-525 is only distributed in Indiana, AQUAOX-525 is distributed outside of Indiana.*

unTAGit 2020®

unTAGit 2020 Graffiti Remover

Near-instant removal of graffiti without damaging the underlying paint. Safest SDS in its class—very safe for workers and the environment. It works on glass, painted surfaces, polycarbonate, plastic, composite, metal and other smooth surfaces. Non-flammable, low odor, and contains non-toxic cleaning agents.

Available in 12 x 1 quart, 4 x 1 gallon, 5 gallon pails, and 55 gallon drums.

BIO FRESH Enzymatic Odor Control Concentrate

Provides 24-hour odor control from billions of select spore-forming bacteria working to eliminate odors from urine and more. Spray BIO FRESH on the floor, walls, around urinals and toilets to digest odor from its source.

Available in 12 x 1 quart bottles/case, 5 gallon pails, and 55 gallon drums.

BAC-EN-CLEAN Septic Tank Bioenzyme Treatment

A blend of 7 bacterial strains and a fortified enzyme system which dissolves fat, protein, carbohydrates and cellular materials naturally. Reduces the need for frequent of pump outs. Has almost 2 billion colony forming units (CFUs) of beneficial bacteria per gallon.

Available in 4 x 1 gallon, 5 gallon pails, and 55 gallon drums.

Cling Toilet Bowl Cleaner

Thickened, high detergent, powerful descaler formulated to remove urine salt, rust, lime, hard water deposits, and corrosion build-up from toilet bowls and urinals.

Available in 12 quarts per case.

BIOMELT® Supreme Anti-icing Fluid

A natural deicer derived from corn and formulated to lower the freeze point of the waste water without the use of salt, alcohols, or other harmful chemicals. Add to holding tank to prevent freezing at temperatures as low as -20°F.

Available in 55 gallon drums and 275 gallon totes.
