

PRODUCT INFORMATION

BIO-FRESH Enzymatic Concentrate

DESCRIPTION	BIO-FRESH quickly eliminates a wide range of malodors through bio-enzymatic action that consumes the source of the odors. This non-toxic biodegradable concentrate is packed with enzyme-producing bacteria and an ultra-fresh, clean fragrance. BIO-FRESH is effective against malodors caused by pet accidents, urine, vomit, decomposing food, water, smoke damage and many others.
USE	BIO-FRESH provides 24-hour odor control from billions of select spore-form bacteria working to eliminate odors at their source by digesting the molecules that create odors. Spray BIO-FRESH on floor and walls around urinals, toilets, sinks, etc. or use diluted in mop water, carpet extractors, etc. Excellent for use in grease traps and drains.
DIRECTIONS	<p>Remove odor source as best as possible before treating.</p> <p>General Cleaning: Dilute 2 to 4 oz per gallon of warm water when applying with a mop or sponge.</p> <p>Carpet Spills: Remove solids before applying product. Pretest for color fastness. Absorb as much of the spill as possible before spraying concentrate directly onto the affected area. On tough spills and stains, cover treated area with damp cloth overnight to prevent evaporation, then continue with carpet cleaning.</p> <p>Restroom Odors: Dilute 2 to 4 oz. per gallon of mop water. Spray the concentrate directly onto the floor or wall and around toilets for tough odors. Do not mist up into the air.</p> <p>Drain Maintenance: 4 oz. daily until drains run freely.</p> <p>Grease Traps: Pour 16 to 20 oz. of concentrate per day into drain.</p>
WARNING	Store away from heat and open flame. Keep container closed when not in use. Use only according to label direction. Do not mix with other chemicals. Avoid contact with skin or eyes. Neoprene gloves and safety goggles recommended. KEEP OUT OF THE REACH OF CHILDREN.
FIRST AID	Note: See Material Safety Data Sheet for First Aid and additional Information.
