

PRODUCT INFORMATION

BLAST Heavy-Duty Degreaser/Cleaner

DESCRIPTION	BLAST is a unique aerosol foam which enables easy cleanup of tools, parts, workbenches, vent covers, coils, machinery, industrial equipment, concrete and more. BLAST sprays an engulfing, heavy duty foam that clings to surfaces and provides extended cleaning contact time. It contains super powerful, water soluble, grease dissolving agents and detergents for instant “Mega-Forceful” cleaning action. BLAST has a self-indicating foam which quickly breaks down grease and becomes “dirty” indicating soil is ready to be flushed away. BLAST deodorizes as it cleans, leaving behind a fresh citrus scent.
USE	BLAST can be used in Industrial Plants, Chemical Plants, Refineries, Shipyards, Power Generating Plants, Steel Mills, Food & Bottling Plants, Construction Industries, Petroleum Industries, and for General Maintenance. BLAST can be used for dirty engines, oily machinery, greasy tools, lawn equipment, construction equipment, farm and road equipment, driveways and parking lots, industrial equipment, air conditioning coils, signs, fans, exhaust vents, trailers, boats, docks, and dairy equipment.
DIRECTIONS	For best results spray directly onto soiled surfaces. When the self-indicating foam becomes “dirty”, flush with water. For difficult to remove stains and soils, allow foam to remain on surface for several minutes before flushing. Repeat application as needed. A stiff bristled brush may be useful for loosening stubborn soils.
WARNING	May cause slight eye irritation but does not injure eye tissue. Frequent or prolonged skin contact may cause irritation. Inhalation of mist can cause irritation of nasal and respiratory passages. Excessive inhalation may cause irritation to the upper respiratory tract, dizziness nausea and other central nervous system effects. Ingestion can cause gastrointestinal irritation, nausea, vomiting and diarrhea. Always read label before using product. KEEP OUT OF REACH OF CHILDREN.
FIRST AID	Note: See Material Safety Data Sheet for First Aid and additional Information.
