

PRODUCT INFORMATION

TOP GUN NO RINSE, WAX & FINISH STRIPPER

DESCRIPTION

TOP GUN No Rinse, Wax & Finish Stripper is very effective for the removal of all water and emulsion waxes, polymers, acrylics, and metal interlock finishes from composition tile, concrete, marble, and terrazzo floors. Using TOP GUN can save up to 50% of the time compared to normal stripping and rinsing procedures.

DIRECTIONS

Always read label before using product.
Dilute with water as follows:

Normal Use: 1 part to 5 parts water

Heavy Buildup: 1 part to 1 part water

Automatic Scrubber: 1 part to 10 parts water

Apply solution liberally with mop to floor. Leave surface very wet. Allow to remain 5 minutes and re-mop. Agitation with mop will loosen finish, scrubbing is not required. Allow another 3 minutes before picking up. Thoroughly pick-up the stripping solution with a mop, wet/dry vac, or an automatic scrubber. Use diluted stripper to touch up any finish remaining. Allow floor to dry. No rinsing is necessary if surface appears free of dust after drying. Apply selected finish to stripped floor.

WARNING

COMBUSTIBLE LIQUID - Contains alkaline cleaning agents. Avoid contact with eyes and skin. For hand use, wear rubber gloves. Avoid inhaling vapors. Use with adequate ventilation. **DANGER- KEEP OUT OF THE REACH OF CHILDREN.**

FIRST AID

In case of contact, flush eyes and skin with water for 15 minutes. For eyes, get medical attention immediately. If swallowed, rinse mouth. Do NOT induce vomiting. Call a poison center or get medical attention.

Note: See Material Safety Data Sheet for Additional Precautions and First Aid Information.
